BRIEF ABSTRACT OF LETTER.

Forwards copies of Comms from the Asst Med and Sanitary officers of Mysore and Kadur and recommends that a fee may be prescribed for grant of certificates by medical officers to the Candidates appearing for the Mysore Local Service Exams and adds that a fee of Rs 5/ for each Candidate is by no means a heavy fee.

NOTES AND ORDERS.

W

Rule 11 of the Mysore Local Service Exams rules directs as follows:—

"Every Candidate must produce a certificate of his being above 20 years of age and of his physical fitness for public Service from a Medical Officer

of or above the grade of a Civil Surgeon but no such certificate is necessary in the case of officials who may have already furnished it. Candidates appearing for the Pleaders' Exams are required to produce only a certificate that they are over 20 years of age. no certificate of physical fitness is necessary."

According to the above rule candidates being Govt Servants who may not have produced the medical officer's certificate referred to in article 31 of the Mysore Service Regns and candidates not in Govt Service at all, appearing for the L. S. Exams have to produce the certificate of physical fitness. Please See rule 9 of the Mysore L. S. Exams rules while the D. R. & S. Officer of Mysore simply states that the Grant of such certificates throws additional work on him and requests that Govt may be moved to sanction a scale of fees for medical exams of candidates appearing for the L. S. Exams, the D. R. & S Officer of Kadur repeats the claim on the ground that the Candidates do not go up in their offl Capacity for these exams but they do so only in their private capacity to qualify themselves for preferments in Services as they

do with University Exams. The Senior Surgeon in recommending a fee of Rs 5/- being prescribed for medical exams of the candidates supports his recommendation by the argument that in the case of persons entertained in Service of Govt it is the duty of the Med officer to grant the certificate gratis on requn from the Offg Superior of the person newly entertained because it is to the interest of Govt that the persons entertained in the Govt Service should be of good physique while the case of the Candidate for the exam is quite different & is purely a private matter betn him & the medical officer

As to the view taken by the Offg Senior Surgeon of the nature of the Local Service exams it is submd that they are exams instituted to secure the efficiency of the various grades of Govt Service and that it would be conducive to the interests of Govt that subordinates entertained in Service should appear for & pass the exams the interests of both Govt Service and the individuals concerned are secured by the System of these exams. Accordingly articles 199 to 201 of the Nagpur Service Regns provide for the grant of exam leave to Govt Servants

to allow an officer absent on the absence of from his Station to attend an obligatory Departmental exam^n being treated as an duty & article 618 of the Regs^ns entitles the officer concerned even for travelling allowance for journeys performed on this account, subject to certain limitations. It is also subm^d that med cal exam^n for purposes of life insurance is similar in nature to that for purposes of L. S. exam^ns and that therefore as in case of the former, exam^n of candidates for L. S. exam^ns may, if appd, be directed to be done gratis as heretofore ~~This also was pointed out for note by~~ Mr Cheng to the Candidates for the L. S. exam^ns being put to much inconvenience & expense in attending the L. S. exam^ns held since last year only in one centre — Bangalore it is feared that sanction to the Senior Surgeon's proposal re: payment of fees for grant of certificates may tend to place many a Candidate in a far more disadvantageous ~~expensive~~ situation.

It is stated that in Madras, the submission of physical fitness certificates is not required for the Govt Special Test Examinations In the case of candidates seeking admission into Govt Training Institutions and colleges of Engineering and Agriculture and to the Salt, Abkari and customs and the Subordinate Medical Department, such certificates are stated to be necessary. In the case of Training Schools and admission to the Subordinate Medical Department no fees are charged while in the case of other Departments fees are paid to the Medical Officers for such certificates as the grant of such certificates is treated as a purely private business

A medical certificate is, in my opinion, entirely unnecessary in connection with the applications for admission to any of the Local Service Examns. A candidate for admn. either seeks entrance into Govt service, or is already in such service, or he does not mean to join it. In the first case, the necessity for a medical certificate will arise (& will be complied with) when he is admitted into service. In the second case he has already presumably furnished a certificate of health; & in the third case, there is no real necessity for one.

I understand that such certificates are not required for the Special Qr Examns in Madras.

BANGALORE

Sir,

In forwarding copies of letter No.644 dated 16th February 1908 from the District Medical and Sanitary Officer, Mysore, and No.575 dated 15/16-9-07 from the District Medical and Sanitary Officer, Kadur, I have the honour to invite the attention of the Government to the following.

The granting of certificates of physical fitness to candidates entertained into the Government Service is quite a different affair ~~to~~ to granting such certificates to individuals appearing for the Local Service Examinations.

In the former it is necessary that the Government -should be satisfied that the men entertained have the -- necessary phisique to stand fatigue and strain of official duties.

In the case however of individuals desirous of

passing

passing Local Service Examinations it must not be forgotten that they appear for these examinations not because the -- Government compels them to do so but because they believe that by passing them they stand better chances of promotion & improvement of official prospects generally than those that do not pass such examinations.

In the former case therefore it is necessary that physical fitness certificates should be granted gratis by the Medical Officers of the station on the candidate producing a reference from his official superior.

In the latter case the matter becomes I think a purely private one between the candiddte and his Medical adviser and a certificate of physical fitness granted to him after a laborious Medical examination should be paid for.

I do not consider Rupees five for each candidate is by any means a heavy fee, in such cases.

I have the honour to be,

Sir,

Your most obedient servant,

H. Drake Brockman

Senior Surgeon with the Govt. of Mysore.

Draft in favour of Lt. Nowai Sir,

No.575 dated 15/16-9-07 from the District Medical and Sanitary Officer, Kadur District, to the Senior Surgeon, Mysore Government, Bangalore.

I have the honour to bring the following matter for your information and kind orders thereon.

Local Service Examinations are held by the Govern-ment every year and Government officials and non-officials (private candidates) are allowed to appear for these -- examinations. These official candidates do not go up for the examination in their official capacity, but go up in their private capacity. All these candidates have to pro-duce a Medical certificate of physical fitness from the Civil Surgeon. Now I beg to be informed whether a Civil Surgeon, who grants such certificates, is not entitled to his fee for granting such certificates to these candidates official or non-official. These official candidates do not go up, as I have explained above, in their official capa-city. Government do not compell them to go up for this -- examination. This is a qualifying examination as the Uni-versity examinations are. Anybody is allowed but nobody is compelled.

I think a Civil Surgeon, who grants a certifi-cate to these candidates, has a right to get his fee.

---oOo---

No.644 dated 16-2-08 from the District Medical & Sanitary Officer, Mysore District, to the Senior Surgeon with the Government of Mysore Bangalore.

I have the honour to represent that Mysore Local Service Examination Board insists on the production of a certificate of physical fitness on the part of the candidates from

from a Medical Officer not ~~lower~~ lower in rank than a Civil Surgeon. This rule throws additional work on me at Mysore. There are no standing orders as to the amount of fees the Medical Officer is entitled to for this work.

I request that Government might kindly be moved to sanction a scale of fees for the Medical examinations. I consider that a fee of Rs.5/- will be adequate in these cases.

Proceedings of the Government of His Highness the Maharaja of Mysore, Local Fund and Sanitary (Medical), dated 14th September 1908.

READ—

Letter No. G. 515, dated the 2nd March 1908, from the Officiating Senior Surgeon, recommending that a fee may be prescribed for the grant by Medical Officers of certificates of physical fitness to candidates for the Mysore Local Service Examinations and stating that a fee of Rs. 5 for each candidate would by no means be heavy.

2. Letter No. G. 716 of the 2nd June 1908, from the same officer forwarding with reference to this office docket No. 10055—Med. 191-07-2, dated the 7th April 1908, copy of letter No. 87—3109, dated the 13th May 1908, from the Personal Assistant to the Surgeon-General with the Government of Madras *in re* the practice obtaining in Madras in the case of the candidates for the Madras Government Special Test Examinations, etc.

No. 2660-700—MED. 191-07-4, DATED BANGALORE, 14TH SEPTEMBER 1908.

ORDER THEREON.—On a careful consideration of all the circumstances and in concurrence with the Board for the management of the Mysore Local Service and Pleaders' Examinations who were consulted in the matter, Government consider that the certificate of physical fitness prescribed in Rule 11 of the rules relating to the said examinations is unnecessary and accordingly direct that the same be dispensed with.

2. The Secretary to the Board of Management for the Mysore Local Service and Pleaders' Examinations is requested to take needful action in the matter of amending Rule 11 of the revised and consolidated rules relating to the Examinations issued with Government Notification No. 1312—Exam. 19-07-2, dated the 5th August 1908.
